Brookwood Tech Club Expectations:

In order to provide a safe environment for students to learn, explore and work behavior expectations must be met. Students should behave in a way that comports with the behavior expectations and guidelines of the school. If student behavior in tech club is not deemed safe, kind, and/or responsible, a student may be asked to leave and lose the privilege of participation in tech club.

Please know that consistent participation is also a must for success in tech club. Students who miss more than two sessions in an 8 week period will relinquish their spot to a student on the waiting list. Students are responsible for their own transportation home. Please make sure students are picked up promptly at 4:45. Students who are not picked up or cannot go home on their own two times will relinquish their spot in tech club to a student on the waiting list.
