**Eastmont Tech Club Expectations:**

In order to provide a safe environment for students to learn, explore, and work, behavior expectations must be met. Students should behave in a way that aligns with the behavior expectations and guidelines of the school. If student behavior in tech club is not deemed safe, respectful, and/or responsible, a student may be asked to leave and lose the privilege of participation in tech club.

Please know that consistent participation is also a must for success in tech club. Students who miss more than two sessions in an 8 week period will relinquish their spot to a student on the waiting list. Students are responsible for their own transportation home. Please make sure students are picked up promptly at 4:00 pm. Students who are not picked up or cannot go home on their own two times will relinquish their spot in tech club to a student on the waiting list.

There will be times when tech club students are asked to arrive early or stay late at school to assist with plays, concerts, and other events. Tech club students might also miss small amounts of class time occasionally to help prepare for assemblies and other school events. Students are responsible for making up any work missed due to tech club responsibilities. Some tech club students will be allowed to register TA class with Ms. Miles, our school librarian, where they will work on the production of our new weekly student newscast. We will discuss the details of this opportunity at our first tech club meeting.

Please submit this form via email to [kathryn.blunt@canyonsdistrict.org](mailto:kathryn.blunt@canyonsdistrict.org) or in person to the Eastmont Middle School front office no later than 3:30 pm, Friday, October 31, 2014.
